FOR THE NINE-MONTH PERIODS ENDED SEPTEMBER 30, 2026

(UNAUDITED/ REVIEWED ONLY)

AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To The Shareholders of UNITED PAPER PUBLIC COMPANY LIMITED

I have reviewed the accompanying interim financial information of UNITED PAPER PUBLIC COMPANY LIMITED, which comprise statements of financial position as at September 30, 2026, the related statements of comprehensive income for the three-month and nine-month periods ended September 30, 2026, statements of changes in shareholders' equity, and statements of cash flows for the nine-month periods then ended and notes to interim condensed financial statements. The Company's management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34 Interim Financial Reporting. My responsibility is to express a conclusion on this interim financial information based on my reviews.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements No. 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion on this reviewed interim financial information.

Conclusion

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 Interim Financial Reporting.

Emphasis of Matter

I draw you attention to notes 1 8 to financial information regarding the events after the reporting period, which mentions the flood incident that occurred after the end of the reporting period and affected the Company's manufacturing plant. The Company is able to resume normal manufacturing operations. However, the Company is still in the process of assessing the damage and related insurance claims. It is not yet possible to estimate the net financial impact of the incident. Accordingly, my conclusion remains unchanged due to this matter
